Dear STEAM Camp Families,

We have had a busy year so far planning for STEAM Camp 2020! The Cathedral School will definitely be STEAMy as we cook up some fun and tasty recipes for our new Restaurant Week this summer. As campers experienced last year, our new Library & Media Center & Innovation Lab have been welcoming spaces for fruitful and widespread creativity. Please keep an eye on your email inbox as we will be sending you more information leading up to camp. As you begin to prepare for your first day, please carefully read the checklist below:

**Items to bring:**
- Two STEAM t-shirts (provided by STEAM Camp)
- Change of clothes
- Swimwear & water shoes
- Sunblock & sunglasses
- Hat, shorts, & sneakers
- Water bottles

**Early Drop-Off & Extended Day:**
Early drop-off begins at 8:00 a.m. Bring your child to the school’s front porch, where you will be met by Mike Demianiuk or one of the STEAM Camp counselors. The charge will be $8 per half hour.

After dismissal at 3:00 p.m., we offer an extended day until 5:00 p.m. Students will have an unstructured free time to work on their projects, or begin something entirely new and self-driven. Additionally, campers can choose to play organized games outdoors. This part of the day will be supervised by our STEAM Camp Teachers and Counselors. If you plan on signing your child up for extended day, the charge will be $7 per half hour from 3:00-5:00 p.m. and $10 per half hour for pick-ups after 5:00 p.m. Parents may notify Mike Demianiuk or one of the STEAM Camp staff members about a potential extended day service when they arrive on any given morning.

**Health Forms:**
All families attending the STEAM Camp must provide up-to-date medical forms. Current Cathedral families do not need to submit any health forms. For non-Cathedral
families, these forms can typically be sourced from your child’s current school. Copies of medical forms can be found on our website. **Please only complete the forms applicable to your child.** The forms can be mailed, scanned and emailed, or given to a STEAM Team staff member when you arrive at the school for your first day of camp. Additionally, our nurse will be here to speak with families about additional needs, as well as administering medication. **Incoming Cathedral Kindergarten families will need to submit these forms as well.** If you are mailing the forms, please send it to:
